Reminder Notice

We are required by law to remind you periodically in writing about your overdue tax. The amount you owe is shown on the back of this letter.

You do not need to contact us about this letter if you are working with us to resolve your account. However, please call the telephone number listed above if you:

- have unanswered questions about the overdue taxes.
- wrote or called us more than 30 days ago and have not received a reply.

If you have NOT been working with us to resolve your account, please read the rest of this letter carefully. Then, based upon your situation, take the action listed in either Step 1 or Step 2.

Step 1:

If you agree with the amount shown on the back of this letter and have no questions, send us full payment. Make your check or money order payable to United States Treasury. Write your tax identifying number and the tax period(s) on your payment. Use the envelope provided and include the enclosed return cover sheet when sending us your payment or correspondence. Keep this letter for your records.

Step 2:

Call the telephone number listed above if you:

- believe the overdue tax is incorrect or have other questions.
- are unable to pay your overdue taxes in full. Be ready to tell us what your monthly income and expenses are so we can help you arrange a payment plan.

This office is authorized to take enforcement action to collect the amount you owe. This can include taking your property, or rights to property, such as wages, bank accounts, real estate or automobiles. We may also file a Notice of Federal Tax Lien without giving you advance notice. A lien is public notice to your creditors that the government has a right to your interests in your current assets and assets you acquire after we file a lien. This can affect your ability to obtain credit. To avoid possible enforcement actions, we must hear from you within 10 days from the date of this letter.

Penalty and Interest

The penalty and interest charges on your account are explained below. If you want a more detailed explanation of your penalty and interest, please call the telephone number listed on the front of this notice/letter.

Paying Late - Internal Revenue Code Sections 6651(a)(2), a(3) and (d)(1)

We charge a late payment penalty of 1/2 percent of the tax owed for each month or part of a month the tax remains unpaid from the due date, up to a maximum of 25 percent of the tax due. The 1/2 percent increases to 1 percent for each subsequent month or part of a month if the tax remains unpaid 10 days after the IRS issues a notice of intent to levy.

Interest - IRC Section 6601

We charge interest when your tax is not paid on time. Interest is computed from the due date of your return (regardless of extensions) until paid in full. Interest is also charged on penalties for late filing, late payment, over or understating valuations, and substantially understating the tax you owe. Interest compounds daily, except on late or underpaid estimated income taxes for individuals or corporations.

Corporate Interest - We charge additional interest of 2 percent if, according to our records, you didn't make your corporate tax (income, employment, excise, etc.) payment within 30 days after we notified you of the underpayment of tax. This interest begins on the 31st day after we notify you of the underpayment on tax amounts you owe over \$100,000, minus your timely payments and credits.
